

Premium Specialist Tyres

Turbosteel 70

For luxury high-performance cars, especially Rolls-Royce and Bentley models

- General purpose
- Designed to suit large, high performance luxury saloons

Our Turbosteel tyres are perfect for large, luxury cars. With enough flex in the sidewall to deliver a comfortable ride, and a tread pattern that's efficient in reducing noise and dispersing water, if you drive a premium car, these premium tyres will do it justice. It's also available with a stylish white sidewall finish, performance, as well as quiet running characteristics.

Turbospeed CR227, CR228-D & Turbospeed CR27

- General purpose
- Turbospeed CR227. Ability to cruise quietly and comfortably, ideal for elite marques
- CR228-D. An ultra high performance tyre for swift saloons and coupes
- Turbospeed CR227. The perfect complement to the luxury and comfort of Rolls Royce and Bentley

Our Turbosteel, Turbospeed and CR228-D ranges are perfect for large, luxury cars. With enough flex in the sidewall to deliver a comfortable ride, and a tread pattern that's efficient in reducing noise and dispersing water, if you drive a premium car, these premium tyres will do it justice.
